GCSEs (12 subjects) grade A/A*

A Levels: Economics: A Mathematics: A Biology: A

WORK EXPERIENCE

ViewForYou – Co-Founder

May 2024 - present

- Developed and executed a business model to address geographical constraints in the student property market, optimising pricing to drive revenue growth.
- Established partnerships, including a referral scheme with Cribster, to expand reach and user base.
- Leveraged data analytics tools like Meta Business Suite to refine and enhance service offerings.

PwC – Audit Intern (Financial Services)

June 2025 – July 2025

- Contributed to the statutory audit of an FTSE 100 client in the asset and wealth management industry with a market valuation of approximately £10bn. I aided the team in performing substantive testing on key financial statement line items, ensuring compliance with IFRS and internal control frameworks.
- Assisted in risk assessment procedures by evaluating internal controls and identifying potential areas of misstatement within the client's reporting process, with a heavy focus on revenue, provisions, and liabilities.
- Collaborated with senior associates and managers to deliver high-quality audit documentation under strict deadlines, enhancing efficiency in the audit workflow.

Pinnacle Prestige Properties LLC – Executive Assistant to the Board of Directors

February 2025 – March 2025

- Assisted in the development of a real-world asset tokenisation project, leveraging blockchain to digitise and fractionalise property investments.
- Prepared investor pitch decks and supported fundraising discussions for projects with multi-million-dollar valuations, enhancing capital-raising efforts.
- Facilitated international business development by coordinating with Chinese clients, establishing operations in the UAE, managing negotiations and regulatory processes.
- Contributed to sales initiatives and marketing campaigns, including the creation of digital content to strengthen brand presence and drive client engagement.

EXTRA-CURRICULAR EXPERIENCE

Bristol Entrepreneurs Society – Co-President (Promoted from VP)

July 2025 – present

- Led the society of 150+ members, developing partnerships with companies including Intel, EY, Graphcore, etc, organising flagship events such as a large-scale Dragon's Den pitch competition.
- Oversaw committee operations, coordinating events, outreach, and sponsorships worth over £1000 to expand the society's reach and engagement across the University of Bristol.

Bristol Investment Fund – Equity Analyst

September 2023 – June 2024

- Conducted valuation analysis (DCF, comparables) and led a team to 2nd place in a stock pitch competition, presenting on a Canadian mining firm with a 25.5% upside potential.
- Delivered investment recommendations through rigorous market research and portfolio discussions, contributing to an average portfolio return of 12%.
